Dear Sir:

On October 10, 2008, the Examiner and the undersigned had a brief telephone conversation to schedule a further telephone conference with respect to this application. This further telephone conference was held on October 17, 2008. During the telephone conference, distinctions between the pending claims and references of record, including U.S. 6,270,479 to Bergens et al. were discussed. In particular, the undersigned noted that the references did not provide an inner housing as recited by the pending claims. No final agreement regarding allowable subject matter was reached.

Respectfully submitted,

SHERIDAN ROSS P.C.
